NEW QUESTION: 1

Identify what is wrong with this statement: "SOAP-based Web services A and B are participating in a runtime transaction that is carried out as per the WS-AtomicTransaction standard. When a message sent by Service A is rejected by Service B due to a violation of a WS-Policy definition expressed as part of the Service B contract, Service A is forced to issue an Abort message, thereby requiring the transaction to be rolled back." Select the correct answer.

- A. There is nothing wrong with this statement.
- B. WS-Policy definitions are not expressed as part of the service contract.
- C. SOAP-based Web services cannot have policies and cannot participate in runtime transactions because they are limited to the use of a uniform service contract.
- D. WS-AtomicTransaction does not support the rollback of changes that occur during runtime transactions.
